## INTSUM – following PAVIN (continued)

### ▪ Non-Violent

- Substantive Indicators/Evidence of strategic-level Voter Fraud across the spectrum executed at state/local level.
  - New **Project Veritas** Video: Voter Fraud in Ilhan Omar's District - A Somali whistleblower working in the sheriff's office helped O'Keefe record evidence of a cash-for-votes scheme.
  - **Public Interest Legal Foundation** "reviewed voter records from more than 40 states and found nearly 350,000 dead voters still on the rolls, and more than 50,000 people who cast more than one ballot in the 2018 election. Many of those "apparent double-votes" were mail ballots."
  - **True the Vote** is launching a six-figure ad campaign warning that House Speaker Nancy Pelosi could emerge as commander-in-chief next year if citizens don't vote in-person in November
  - Trays of mail, including absentee ballots, found in a ditch in Greenville, Wisconsin
- Marxist ideological subversion permeates federal government.
  - Indoctrinates interagency with "Critical Race Theory" which is Marxism
  - Chris Wallace endorses Biden by accepting the neo-Marxist "White Supremacist" enforcement narrative as basis of the debate dialogue
    - Also relied on FBI's Wray's statement that called Antifa an ideology rather than an organization
  - CNN reports "The FBI director just totally shut down Donald Trump's vote-fraud conspiracy" - "Now, we have not seen, historically, any kind of coordinated national voter fraud effort in a major election, whether it's by mail or otherwise," Wray said. [**Is the FBI delegitimizing itself in the eyes of public?**]
  - Meadows says, 'varying degrees' of confidence in FBI chief Wray, could be replaced - 'We want to make sure he's doing job,' **especially on voter fraud**, Meadows says.
  - DNI Ratcliffe letter to Sen. Graham suggests Obama/Biden complicity in coup. DCI Haspel and others stonewalling declassification of critical documents voters need to see before election. Waiting on Durham.

# Coincidences? (Monitor)

## ■ Turkey

- **Erdogan is in Operational Control of the Muslim Brotherhood**, including in America, threatening peace and stability of NATO allies, and now seen by Mossad as Israel's primary threat.
- **President Erdogan pushing to reclaim Jerusalem** : *"We consider it an honour on behalf of our country and nation to express the rights of the oppressed Palestinian people on every platform, with whom we have lived for centuries."*
- **Muslim Brotherhood** (Nihad Awad and Linda Sarsour) issue Mass Line C<sup>2</sup> directives in Louisville.

## ■ US Southern Border

- New caravan of approximately 2,000 Hondurans rammed through police and entered Guatemala on Thursday on their way to the United States border one month before the election.
  - The Department of Homeland Security previously confirmed that gang members and people with "significant criminal histories" were embedded in the massive migrant caravans of mostly military-aged males marching up to the United States.
- Apprehensions of unauthorized migrants along the southern border rose for a fourth consecutive month in August, with U.S. immigration authorities making nearly 50,000 arrests and expelling the majority of those apprehended under pandemic-era restrictions.

# Narratives

- **DOMINANT:** C19 Narratives are the dominant mass line enforcement narrative (Discourse Theory)
  - Van Jones/Biden still calling for the Left to re-center narratives on C19 lockdown and economic damage.
  - COVID – New opportunities to exploit C19 Narrative by leveraging the known increase in Flu, Pneumonia, and COVID as the season transitions to Fall, the Flu Season.
  - Rising C19 cases in young and healthy people without increase in hospitalization, ICU or deaths indicates developing herd immunity.
  - CDC latest survival rates for people who test positive (a tiny fraction to begin with):
    - age 0-19: 99.997%
    - age 20-49: 99.98%
    - age 50-69: 99.5%
    - age 70+: 94.6%
- **SUPPORTED:** Narratives operating under cover of C19 Narrative
  - FBI Dir. Wray reinforces multiple Mass Line narratives by subordinating FBI efforts to those narrative arcs.
  - Left's continuous information campaign to influence DOD decision making on issues outside their Constitutional mandate
  - BLM/Antifa (intersectionality)
    - Will blame White Supremacists for BLM / Antifa violence (FBI, DHS, Dept of Ed)
  - Color Revolution narratives proliferate.
  - Legitimizing Universal Mail-in Voting while driving narrative that Trump is the fraudster.
  - Mail-in voter fraud issues proliferate.

# Current Responses

- The Counter-state may have sufficient control of national level leadership and institutions – by commission and omission - making it unclear whether they can be relied on in the event of escalating violence.
- DOJ expands deputization to county deputies and police in Portland. This permits U.S. Attorney prosecution in Federal Court, especially for assaulting an officer.
- **Florida** Gov DeSantis reopens state & Rule-of-Law Principles reasserted (*Combatting Violence, Disorder and Looting and Law Enforcement Protection Act*), U.S. District Judge Stickman orders **Pennsylvania** reopened, **Tennessee** Gov Bill Lee to lift all virus-related limits for most of state.
- Administration attempting to counter institutionalized cultural Marxism with 1776 Project and banning Critical Race Theory indoctrination in the USG and contractors,
  - Unclear whether there is a real appreciation of the scope of the ongoing ideological subversion.
- President and Congressional oversight raising substantive questions on mail-in voter fraud
- The opposition party remains decisively disengaged. From South Carolina alone:
  - Sen. Lindsay Graham supports the Democratic/Mass Line narratives.
  - Sen. Tim Scott tweeted this week support of Mass Line narratives on Breonna Taylor and Trump's debate comments on White Supremacists.

## Indications & Warning (I&W)

- Will the debates lock President Trump into a hostile narrative?
- The Republican establishment, including the White House, enforces mass line enforcement narratives (simply by following them)
- Police Morale, Democrat Voter Support, Institutional Support for Democrat Agenda, etc.
- National Security and Law Enforcement continues to align communications and activities to unfolding mass line narratives.
- Indicators of second round of riots that may include escalated violence as part of transition to and through Election Day.
  - Left treating the election as a phase line to a continuing operation.
- **Voter Fraud Organized at the Counter-State level.**
- Constitutional principles, the rule of law, and incendiary political rhetoric remain unchallenged
- Targeted assassination of law enforcement and political opposition
- No arrests of accessories/conspirators to the Portland assassination of opposition
- Attacks on Critical Infrastructure (e.g.: 911 services or powerline transmission attacks)
- **Project Veritas** reports of Ilham Omar's massive voter fraud and more revelations to come.

## What To Do: *Insurrection and Violence: A Citizen's Guide*

<https://unconstrainedanalytics.org/insurrection-and-violence-a-citizens-guide/>

This book by Unconstrained Analytics is a guide for all citizens that are concerned with the chaos and violence occurring on the streets of America, regardless of political outlook. Though much of the violence clearly has political intent and purpose, that is outside the scope of this study.

The goal – to explain the violence, who is perpetrating it, and how to avoid becoming a victim, sounds simple enough. However, this is a very dynamic situation, the amount of information available is immense, and much of it is opinion disguised as the truth. To help with this task, the writers consulted with experienced and proven analysts on intelligence, crime, politics, revolutionary warfare, history, survival, and trauma medicine. They separated fact from perception, assessing the inexplicable, and delivering it concisely. It serves well as a handbook for the average American.

If you disagree with the assessment of the situation presented early in the book, stay the course; and take a close look at Chapters 3 and 4. Here, you will find valuable information designed to keep you and your loved ones safe.
